DETAILED ACTION

Response to Amendment

1. This action is in response to the communication filed on May 1, 2006.
2. Claims 3-12 and 15-21 are pending in this action. Claims 18-21 have been amended. Claims 1, 2, 13 and 14 have been canceled.

Examiner's Amendment

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The following title is Amended: Voice encoding method and apparatus of selecting an excitation mode from a plurality of excitation modes and encoding an input speech using the excitation mode selected

Allowable Subject Matter

4. Claims 2-12 and 15-21 are allowed over the prior art of record.
5. The following is an examiner's statement of reasons for allowance:

The applicant teaches a speech coding method/apparatus of selecting an excitation mode from a plurality of excitation modes, and encoding an input speech frame by frame with a predetermined length by using the excitation mode selected.

Applicant's arguments are persuasive to the examiner that prior art of record fails to teach or fairly suggest in combination with other limitation particularly comparing at least one of the coding distortions outputted by the encoding with a threshold value and if a coding distortion exceeds the threshold value then converting one or more distortion output so as to suppress selection of the excitation mode whose distortion exceeds the threshold value.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Contact Information

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Abul K. Azad** whose telephone number is **(571) 272-7599**.
